The pre-order forms gauge purchase interest **prior to** opening the CTC Store. We need a minimum of 10 pre-orders per item to place an order. Jerseys and jackets are purchased through [DNA Cycling](#). Cost is expected to be approximately **\$90** per jersey and **\$160** per jacket, excluding shipping and handling. **When you submit this pre-order form, you are fully committed to making a purchase when the CTC Store opens.**

## How to Pre-Order:

**Step 1:** Download this form to your desktop.

**Step 2:** Check out [DNA's size chart](#), and measure yourself to find your fit.

**Step 3:** Type the quantity and size of each item. Click on the product name for more details.
